

HOPA Ports operates two deep-water ports, serving both sides of the Greater Toronto Hamilton Area. Let HOPA Ports connect you to North America's largest consumer markets, and any shipping destination around the globe. HOPA Ports' partners offer specialized expertise and equipment for any import or export shipment. *Contact us to learn more.*

## HIGHWAY, RAIL & MARINE ACCESS

**Efficient transportation connections give port partners a competitive edge:**

- East and West Greater Toronto Area options
- 1 hr. to US border
- Two class-1 railways
- Full Seaway depth: direct marine shipping to global ports.

## COMMODITIES WE HANDLE

**HOPA Ports terminals can provide loading, unloading, storage and transloading of a wide range of commodities:**

- Dry bulk
- Liquid bulk
- Breakbulk & project cargo
- Containers
