

Environmental Tariff Incentive Program

HOPA is pleased to recognize and reward outstanding environmental performance by offering a 20% discount on harbour dues to individual vessels or complete vessel fleets meeting eligible performance criteria.

To be eligible for the incentive, applicants must meet one of the following:

1. **Green Marine** – Achieve Level 5 in either SO_x & PM, NO_x or Greenhouse gas emissions *plus* an average score of 4.0 or above across applicable indicators
2. **Energy Efficiency Design Index** – 15% better than required
3. **Rightship GHG Emissions Rating** – A or B rating

All vessels within an organization meeting criterion #1 are eligible for a reduction. Criteria #2 and #3 are applied to individual vessels. To be eligible for the tariff reduction, the application must be submitted prior to first arrival of a vessel. The reduction, if applicable, will automatically remain in place until the end of the shipping season. The applicant must reapply for the incentive the following shipping season.
